To Sharon:

Man I don't know how to start this because there
 is so much that I have to run down to you.
 (First) you are the best friend a friend

 you are the sweetest friend a girl could
 have. (Can you dig it) I really like you because

ACTIVITIES

Homecoming '68

... a parade down-
town ... a stop at
Elementary ... lineup
of princesses,
escorts, and drivers.
... a lingering
pledge to Alma Mater.

... Junior High steps in official picture ...

... lineup time on blacktop ...

... anticipation ...

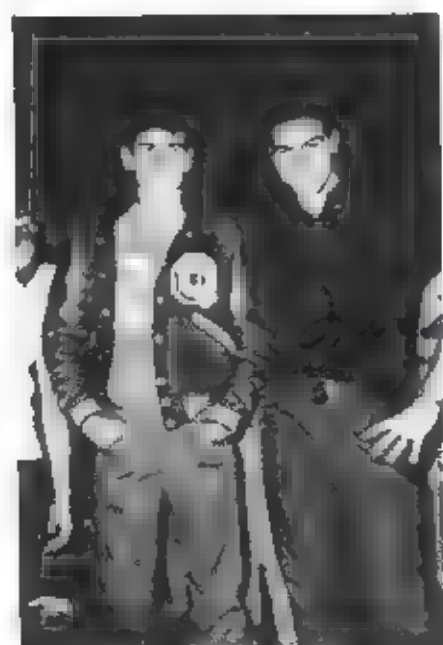

... Firetruck ride for football boys planning gridiron fire ...

... color bearers ...

All Homecoming events were ably directed by seniors --

Preparations for the bonfire were fun, fun, fun, --from first laid log to the crowning jewel on top--a two-seater!

Night ceremonies including the yells, pep talks, school song, and snake dance downtown provide visual and word pictures for future years.

Junior Varsity

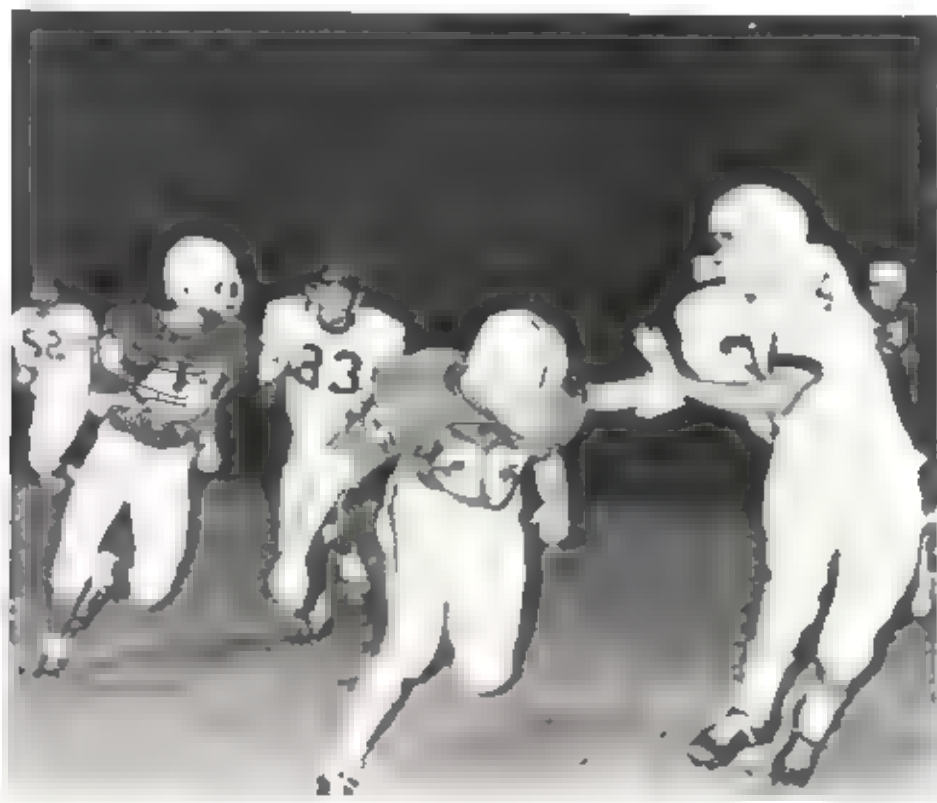

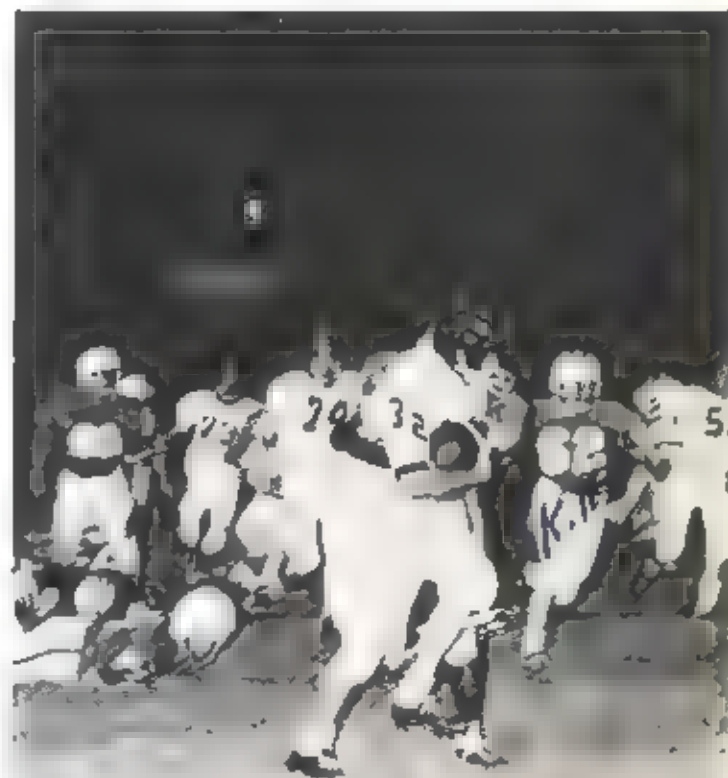

HOME OF THE QUITMAN BULLDOGS

FIRST ROW - Edward Koonce, Elton Simpson, Preston Baine, David Hearn, Andy Harris, Steve Kelly, Jerry Henson, Ricky Deibert, SECOND ROW - James Camp, David Henderson, Rodney Simpson, Rob Burks, Jack Adrian, Kyle Hayes, Dan Mills, Ricky Embry, BACK ROW - Coach Richards, Lanny Bridges, George Hancock, Steve Newsome, Paul Sykes, Olan Horn, Billy Patrick, Lester Hunter.

Although the Junior Varsity's record was 2-4-2 for the 1968 season, the team did have some rewarding points. Considering that the primary function of Junior Varsity is to give future Varsity players some playing experience, it did serve its purpose.

Some six or seven Junior Varsity players either started or played on the Varsity Squad during the season. These players could have made the Junior Varsity stronger but without them the Varsity would have been weaker.

Sharon.

I can't begin to say all I have or could say. We have had so many great times together. You have been a true and sincere friend. I know that I will never forget you. We have had our fusses and disagreements, but I feel that they were only little things. I wish we had every moment that we have spent together to do over again, because we really had some wild times. I can't wait

until Gary comes back home so that we can have some more good times.

Always remember AIBA + MINEOLA. Boy what good times. I will always treasure our friendship & hope that it will never end.

You have always been there when I needed you & I shall never forget all the help that you have been to me concerning my problems. I know that you will get what you want out of life because you have the will & I know there is a way. I could fill this whole book & never say enough to express myself. So I'll just wish you the very best & offer you my friendship.

Love always,

Lady

What can I say? We've had some really queerly timed haven't we? I mean this year - I hope it lasts for a long time. I don't hope it does. I hope I can really have a normal kid. I mean we worry if I'm going to know the Greek letters here. I mean the rest of the world.
